Sir or Madam,

I am employed by the County of Riverside and am a current member of SEIU 721. In accordance with the recent Janus v AFSCME case, I am revoking SEIU's authorization to deduct any dues/fees from my paycheck. Please promptly forward a stop deduction notification to Riverside County payroll.

I request that the appropriate person within SEIU 721 also reply to me, in writing, confirming receipt of this notice and indicating when the required stop deduction notice was sent.

Respectfully,

Human Resources Representative,

Please find enclosed a copy of my opt-out letter sent to SEIU 721 notifying them that I am revoking authorization to have any dues/fees deducted from my paycheck, in accordance with the recent Janus v AFSCME Supreme Court decision. Please expect timely notice from SEIU 721 regarding a stop to dues/fees deduction in my name.

Should such notice not reach your office, accept this letter and copy of my notice to SEIU 721 and stop any dues/fees deduction from my paychecks.

Thank you in advance for your assistance in this matter.

Respectfully,
