SEIU 721 6177 River Crest Dr.
Suite B
Riverside, CA 92507

Sir or Madam,

I am employed by the County of Riverside and am represented under SEIU 721's Riverside County Supervisory Bargaining Unit. In accordance with Article 24 of the current MOU, I am revoking SEIU's authorization to deduct dues money from my paycheck. In compliance with Article 24 you are to promptly forward a stop deduction notification to Riverside County Payroll.

I request that the appropriate person within SEIU 721 also reply to me, in writing, confirming receipt of this notice and indicating when the required stop deduction notice was/will be sent.

After _____ years of membership in SEIU, I have come to this decision based upon many reasons, including: poor representation, poor negotiating, and continued voting "irregularities." No detailed response to these reasons is required or requested. There is no explanation to dissuade me from revoking SEIU's dues authorization, and the statement of my reasons, as allowed per Article 24, shall not be used in any way to delay the forwarding of the stop deduction notice to County Payroll as required of the union by the contract.

Sincerely,

(Signature)
