It is recognized that during such term, it may be necessary to make changes in rules or procedures affecting the employees in the Unit. Where Management finds it necessary to make such changes, it shall notify SEIU indicating the proposed change prior to its implementation.

Emergency is defined as an unforeseen circumstance affecting life or property requiring immediate implementation of the change.

Where Management makes any changes in working conditions because of the requirements of Federal or State law, the County shall not be required to renegotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Except as specifically provided herein, it is agreed and understood that each party voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations during the term of the MOU.

The County/District agrees that it will not exercise the foregoing management rights in an arbitrary or capricious manner.

ARTICLE 4
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

- A. Work-Period. The normal work period shall be ten (10) working days of eight (8) hours each or eighty (80) hours in a two (2) week period. Work weeks will comply with the Fair Labor Standards Act (FLSA). A department/district head with prior approval of the County Executive Officer and the Human Resources Director may establish or eliminate a different biweekly work period of eighty (80) hours after giving one (1) pay period written notice to the representative, if any, of the employees affected. Employees shall be given written notice no less than one (1) pay period before assigned work schedules are changed unless agreed to otherwise by the employee.

Effective July 1, 1999, SEIU agrees that the County/Department/District shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule assignments during the remaining term of this agreement.

- B. Alternate and Flex Work Schedules. These schedules are alternatives to the traditional eight (8) hour a day schedule. Non-synchronized 9/80 or 4/10 work schedules are the preferred alternate work schedules; 3/12 or 4/12 work schedules are also available. Flex schedules must meet the total hours per pay week requirement of a regular or alternate work schedule, but with an irregular number of hours worked per day.

Example of Flex Schedule:

M	T	W	Th	F	M	T	W	Th	F
9	7	10	6	8 = 40 Hours	12	8	9	7	4 = 40 Hours

80 TOTAL HOURS BI-WEEKLY

Flex schedules shall be made available under the following conditions:

1. Overtime shall be earned and compensated under this section according to the provisions of Section 2 of this Article.
2. In order for an employee to be under the flex hours provision, they must continue to maintain the work load assigned within the work period. The department/district may establish core hours of work. In addition, employees must agree to clear their schedule to attend staff meetings, training classes or any other meetings or events that the department requires the employee to attend. It is mandatory for an employee to follow reporting requirements of the department/district and any other

requirement in the department's/district's policy, procedures and handbook. It is incumbent on the employee to keep abreast of all events that affect their schedule.

3. Probationary employees and employees who do not meet the required work standard where closer supervision is necessary shall not be eligible for the flex hours scheduling.
4. Should a grievance be filed against the department/district for the removal of an employee from this flex schedule the burden of proof is upon the employee to show that the department/district did not have cause for such action. Cause is based on failure of the employee to follow conditional requirements stated in this memorandum. Removal from the flex time schedule shall not be interpreted as disciplinary action.
5. At the discretion of RCRMC Management, Registered Nurses and Licensed Vocational Nurses in RCRMC and RCRMC related areas may maintain their 3/12 schedules. Such schedules will be treated as full time positions for the purpose of all benefits in accordance with the other provisions set forth in the MOU and the 72-hour nurses shall be entitled to the following full-time benefits as if they were classified as full-time employees under the MOU: County holidays, vacation accrual, sick accrual, flex benefits, life insurance, short-term disability or long-term disability (for employees in the supervisory unit only), workers' compensation benefits, and unemployment insurance. That notwithstanding, 72-hour nurses shall not be entitled to CalPERS contributions beyond their actual accrued PERS eligible compensation.
6. At their discretion, classifications in the clinics may maintain 4/10 schedules.
7. Alternate schedules requested by employees in any other classification within any other department shall not be unreasonably denied.
8. Appeal of Denial: If an employee believes their request to work an alternate or flex work schedule has been unreasonably denied, they may appeal the denial to the County Human Resources Director for final determination.

Special Provision: The Union agrees to meet and consult on this issue if the County reports the workload created by this appeal process becomes unmanageable.

- C. Command Post Schedules. A Command Post provides off hours emergency response services by Children Social Services Workers and Supervisors. The department shall regularly review the Command Post to ensure that it is

providing a quality, cost effective solution to the off duty hours emergency response needs of the County. The department reserves the right to determine the work assignments for Command Post staff. However, the general focus of the Command Post is after-hours emergency response for the purpose of reducing the burden of on call duty for other departmental staff. The following conditions apply to all employees that are assigned to the Command Post:

1. Employees not working the third or weekend shifts shall be scheduled for forty (40) straight time hours as follows:
 - a. Regular Shift: Monday to Thursday from 3:00 p.m. until 1:00 a.m.
 - b. On Call Duty: Four (4) on-call duty shifts of six and one half (6 ½) hours each week. Generally employees will be scheduled for on-call duty shifts Monday to Thursday from 1:00 a.m. until 7:30 a.m. the following morning. However, the four (4) weekly on-call duty shifts may be scheduled on other days or times during the week to meet departmental staffing needs.
2. Third Shift. Employees assigned to the Command Post third shift will be assigned a 4/10 work schedule, Monday through Thursday, the hours of which will be determined by the department.
 - a. Employees assigned to the Command Post third shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.
3. Weekend Shift. Employees assigned to the Command Post weekend shift will be assigned a 3/12 work schedule, Friday through Sunday, the hours of which will be determined by the department, plus a floating four (4) hour shift each week, Monday through Thursday, at a time to be determined between the employee and his/her supervisor.
 - a. Employees assigned to the Command Post weekend overnight shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.
4. The alternative shift configuration for the Command Post may be changed at the discretion of the department to meet staffing needs including, but not limited to, the configuration of the hours of work, the start and stop times for the regular shifts, and the days of work during the week according to the provisions of Section 1(B) of this Article.
5. Completing Court Reports. Any employee in the Command Post who is required to complete a court report as the result of an emergency response shall complete the court report immediately following the

emergency response or during the next regularly scheduled work shift. If it is not possible to complete the court report immediately following the emergency response, and the report is due prior to the commencement of the next regularly scheduled work shift, then the employee shall request and obtain permission from his/her supervisor to complete the report on non-scheduled time. Payment for such non-scheduled time shall be made in accordance with the MOU or any amendments thereto.

6. Assignment to Command Post. Assignments to and removal from the Command Post will be made at the discretion of the Department/district Head or his/her designee. Such decisions are not subject to either the grievance or disciplinary appeal procedures in the MOU and cannot be made or interpreted as disciplinary action. Employees assigned to the Command Post may also request reassignment from the Command Post in accordance with the department's normal procedures. Reassignment will be made as quickly as possible following receipt of the request from the employee.
7. Employees shall be given an opportunity to express their interest in an assignment to the Command Post and the department will maintain a list of interested employees and attempt to staff the Command Post from the list of interested employees. If an insufficient number of employees signify interest in the Command Post, or if the employees on the list do not meet the staffing requirements of the department, the department reserves the right to assign employees to the Command Post to ensure full and appropriate staffing levels.
8. The County reserves the right to amend or revise the rules described herein with respect to the Command Post to create a more effective Command Post model and/or discontinue the Command Post program, subject to any meet and confer obligations with SEIU regarding the effects of such decisions. Notice for changes to the shift patterns of the Command Post will be provided prior to the implementation of any change according to the work schedule requirements of this MOU.

Section 2. Overtime

- A. Overtime. Except as set out in other paragraphs of this section, the County/District shall pay overtime at one and one-half (1½) times their FLSA regular rate of pay for all hours approved and actually worked over forty (40) hours in a work week, or for work performed when the employee is required to meet an emergency or is in a stand-by or call duty status. It does not include regularly scheduled work on a paid holiday.

Exceptions:

1. Fire/Sheriff Communications and Sheriff Records/Warrants Supervisors Classifications. If as a result of a designated staffing shortage, employees are required to work an extra shift or shifts beyond their regular shift pattern, they shall be paid at one and one-half (1½) times their FLSA regular rate of pay. This provision applies only to extra shift(s) or shift extension(s) that are identified on the schedule or given as mandatory work assignments and does not apply to other voluntary work assignments taken by the employee during the workweek.
 2. Transportation Department Classifications. Any employee in the Transportation Department who is required to work extra shifts and/or hours beyond their regular shift pattern due to an emergency situation as declared by emergency personnel (911 dispatchers) or their supervisors, shall be paid at one and one half (1½) their regular rate of pay for such time worked, whether or not such work would qualify as overtime pursuant to the provisions of the FLSA.
- B. Provisions. The County/District and the Union agree to meet every other month to review overtime usage.

*NOTE: A “weekend shift” for the purposes of these classifications and only this section means a shift starting on or after 7:00 a.m. Saturday and ending on or before 7:30 a.m. Monday. An “extra” weekend shift means a weekend shift actually worked in addition to the required weekend shifts that were actually worked in the pay period. Extra shifts begin 3:00 p.m. on Friday. To qualify for double time on an extra weekend shift employees must have also actually worked their regular schedule that week.

For other classifications listed above, a “weekend shift” for the purposes of this section means a shift starting on or after 3:00 pm Friday and ending on or before 7:30 am Monday. An “extra” weekend shift means a weekend shift actually worked in addition to the required weekend shifts that were actually worked in the pay period. All classifications listed above as eligible for double time on an extra weekend shift are required - unless specifically excluded by the Department Head - to work two (2) non-premium weekend shifts during the bi-weekly pay period. An extra weekend shift for any employee exempted, in whole or in part, from the mandatory weekend requirement by the Department Head is a weekend shift in addition to his/her normal schedule as established by the Department Head, provided that the employee actually worked his/her normal schedule that week.

This weekend requirement does not apply to Registered Nurses in the RN-W classifications who work only weekend shifts and do not qualify under this section for double time on an extra weekend shift.

Nurses in the RN-W classifications shall receive a weekend premium of five dollars (\$5.00) per hour for each weekend hour actually worked. A weekend nurse who works seventy-two (72) weekend hours every pay period shall be considered a full-time employee for purposes of flexible benefit entitlement.

D. Authorization for Overtime Work. Performance of overtime work may be authorized by the Board of Supervisors or by the department head or by the District General Manager-Chief Engineer or a designee.

There shall be no favoritism in the assignment of overtime work.

- E. Departmental/District Records. Each department/district head shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. The daily record for an employee in a normal paid working status may be kept on a negative basis, that is, with no entry except for overtime, compensatory time off, sick leave, vacation, leave of absence, and like items.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental/district copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three (3) most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

- F. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half (1½) times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.

- G. Compensation for Overtime Work. Accumulated overtime credit in excess of one hundred twenty (120) hours at the end of any pay period shall automatically be paid for. Accumulated overtime credit after forty (40) hours may at the election of the employee, be accumulated as overtime credit as provided herein, or the employee may elect to be paid such overtime. Accumulated overtime credit of one hundred twenty (120) hours or less may be taken in compensatory time off, subject to management approval, and this method of reducing accumulated overtime credit is encouraged. With approval of the County Executive Officer, accumulated overtime credit of one hundred twenty (120) hours or less may be paid for. Paid overtime credit shall be at the hourly rate currently applicable to the employee. Upon termination, accumulated overtime credit shall be paid for. Overtime caused by duly authorized continuing and regular work periods longer than eighty (80) hours, or by seasonal overtime work, if authorized by the County Executive Officer in advance, shall be currently paid for.

- H. Fringe Benefits not Affected by Overtime. Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance which would otherwise be delayed beyond the normal period.

ARTICLE 5
PAY PRACTICES

Section 1. Step Advance

- A. The compensation of every person employed in a regular position on a step basis shall be considered for increase upon their anniversary date, except as herein otherwise provided.
- B. Anniversary Dates. The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of one (1) year in a paid status in the position not including overtime.

The first anniversary date as a result of promotion or reclassification which involved a salary increase shall be the first day of the pay period following the completion of six (6) months in a paid status in the position not including overtime.

Re-employment at a rate other than that of the first step of a range shall be considered an original appointment for purpose of fixing the anniversary date.

The second anniversary date shall be the first day of the pay period following the completion of an additional one (1) year in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

C. The provisions of this section shall be subject to other specific provisions of this MOU concerning change of anniversary dates.

D. Denial of Step Increase. The department/district head may disallow a scheduled step increase provided a performance evaluation is first reviewed and approved by the Human Resource Director or a designee. If the increase is disallowed, the employee will be provided the reasons therefore in writing.

If the department/district head disallows such increase, the department/district head shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the department/district head. The anniversary date shall be postponed until an increase is allowed. Such salary increases shall be given unless there is an affirmative decision of the Department/District Head to deny the increase.

E. Seasonal Employees. With the same procedures as in the foregoing Subsection B, on the first day of the pay period following the completion of one (1) year in a paid status, not including overtime, the salary of a seasonal employee shall be increased. On the first day of the pay period following the completion of an additional one (1) year in a paid status, not including overtime, the employee's salary may again be increased, and thereafter in like intervals. The hours in a paid status need not be continuous, provided no interval of more than one (1) year shall occur when the employee is in an unpaid status.

F. Except as set out herein, effective June 28, 2012 (PP#15-2012), every anniversary salary increase shall be advanced in one (1) step increments to the rate of the next higher step through June 25, 2014.

G. Except as set out herein, effective June 26, 2014 (PP#15-2014) and continuing thereafter every anniversary salary increase shall be advanced in two (2) step increments to the rate of the second next higher step, except when there are less than two (2) steps remaining, it shall be to the last step.

Section 2. New Employees

A. Except as otherwise provided by this MOU, a new employee shall be appointed at the first step of the salary range. The department/district head with the prior approval of the Human Resources Director and the County Executive Officer may appoint a new employee in a specified class to any step within the salary range if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the advanced step proposed. When the Human Resources Director and the County Executive

Officer authorize a position to be filled at such step higher than the first step of the range, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same class earning less than the step so authorized to the same or one of said higher steps, fixing the minimum initial salary on such advanced step. Should incumbent Registered Nurses working for an RCRMC campus or Detention Health not be advanced in the scenario outlined above, the parties agree to meet and consult on the issue to determine if advancement would be equitable in all the circumstances. The anniversary date shall be the first day of the pay period which is not less than one (1) year in a paid status thereafter, not including overtime. When such an incumbent employee is already on that step, his/her anniversary date shall not change.

- B. Difficult to Recruit Positions. Notwithstanding the provisions of (A) above, there shall be up to an additional four (4) steps [approximately eleven (11%)] which shall be reserved for those specific classifications in a specific Department/District designated by the Human Resources Director, subject to approval by the County Executive Officer, as "difficult to recruit." Further, different locations or regions may qualify for difficult to recruit designation or for different levels (i.e. percentages) of compensation under a difficult to recruit designation. In addition, the County agrees to make every effort to give first consideration to existing employees who have indicated an interest in a specific position and/or location designated as difficult to recruit.

This designation shall be granted based upon a determination by the Human Resources Director, subject to approval by the County Executive Officer, on a specific classification and specific Department/District basis, that a serious recruiting or retention problem exists for specific classification(s) in a specific Department/District, or that the increases granted to subordinate "difficult to recruit" classifications in the specific Department/District has created serious compaction problems, and that a percentage increase up to and including four (4) steps [approximately eleven (11%)] would assist the County in recruiting and retaining employees in the specific classification(s) in that specific Department/District. Advancements to any of these ranges in the specific Department/District shall not be automatic nor shall such a determination have any bearing on the same or similar classifications within the Department/District or in any other Departments/Districts with same or similar classifications. Upon such determination and approval, any increase granted pursuant to these provisions shall be implemented in the specific Department/District as follows:

1. Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees in the specific classification in the specific Department/District may be at any step on the salary range for his/her classification up to and including a step on the salary ranges established pursuant to Section 2(B) above.

2. In the event the salary granted to a newly hired employee in the specific classification in the specific Department/District pursuant to Sub-Section (B)(1) above exceeds that for any present permanent, regular full-time or regular part-time employee in the specific classification in the specific Department/District who is being compensated at the top of the salary range for that specific classification(s), such employee(s) shall be placed on the same salary range and step as that granted to the new employee.
3. All other regular full-time and regular part-time employees assigned to the affected classification(s) in the specific classification in the specific Department/District, who have completed less than one (1) year of service at the top, or at any other step, of the salary range for that classification, may, upon a review of their qualifications and approval by the Human Resources Director, have their salary adjusted to an amount no less than the lowest salary received by a similarly qualified employee hired as the result of an open recruitment to fill a vacancy in that classification in the specific classification in the specific Department/District.

Notwithstanding, the paragraph above, if an employee newly hired into a "difficult to recruit" classification has less experience in the work of the classification and/or education/training applicable to the work of the specific classification than an incumbent employee in the same specific classification in the specific Department/District, the incumbent employees' wage will immediately be increased to the level of the newly hired employee.

4. Subsequent merit increases for employees not compensated at the top of the salary range(s) for the specific classification in the specific Department/District affected by the provisions of this subsection may be granted pursuant to the standard procedures for step advances as set forth in the applicable MOU. Employees may receive annual reviews as set forth in such MOU, but merit increases cannot be given beyond the top step as set forth in this MOU.

In the event the Human Resources Director determines the circumstances that created the recruiting or retention problems for any or all classifications in the specific classification in the specific Department/District no longer exist, he shall advise the County Executive Officer of his findings. If the County Executive Officer concurs, he shall declare the provisions described above inoperative for such specific classification(s). At that time, the salary for any employee compensated at a rate above that to which he or she would otherwise have been entitled shall be frozen and shall not be increased until the regular salary for the specific classification exceeds the rate established pursuant to the provisions described above.

Section 3. Re-Employment

- A. Upon recommendation of the employing Officer and approval of the Human Resources Director, a former regular employee may be re-employed in the same class of position which he/she previously occupied, at the same step of the salary range as the step applicable at the time of his termination, provided they were terminated in good standing.
- B. Re-employment after military service shall conform to the requirements of the Military and Veterans Code and the Uniformed Services Employment and Reemployment Rights Act, but in other respects shall be in accordance with this Memorandum.
- C. Whenever a former regular employee is or has been re-employed within twenty-four (24) months after termination he/she may, on recommendation of the employing Officer and with the approval of the Human Resources Director and the County Executive Officer, be allowed accrued sick leave and accrued time toward earned vacation, not exceeding the amount thereof which was lost at the time of termination, and his/her anniversary date for step advance may be expressly fixed, subject to other provisions of this Memorandum relating to delay and disallowance thereof, by allowing credit for all or a portion of the applicable period of service prior to said termination. A former employee who is re-employed and who did not withdraw his or her initial retirement contributions at the time of his/her termination, shall not be required to make an additional initial retirement contribution for the previous period of covered employment with Riverside County.
- D. Re-employment of Retired Persons. An employee who is retired under the State Employees Retirement Act and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. Consistent with the requirements of the State Employees Retirement Act for discontinuance of retirement benefits, the retiree may be employed or re-employed.

The Human Resources Director may allow the employment or re-employment for up to nine hundred sixty (960) hours in any calendar year, without loss of benefits, as specified in Section 21153 of the Government Code. That section permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, or more than that paid other employees performing comparable duties.

When a retiree under the State Employees Retirement Act is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

Section 4. Promotion

On promotion, the salary shall be at a rate on the new salary range which is two (2) steps higher, or immediately greater than two (2) steps higher, than that paid on the range for the former position where the new range is able to accommodate the increase. The effective date of all promotions shall coincide with the first working day of a pay period. The anniversary date shall be determined as if the date of promotion were the date of employment.

Section 5. Transfer

On transfer, the salary shall be the same as that paid previously. The anniversary date shall not change.

Directed Transfer of Regional Park & Open-Space District Employee(s). The transfer shall be discussed in advance with the employee. An explanation of the reasons for the transfer will be given.

Section 6. Demotion

- A. On demotion, the salary shall be at the rate of the same step on the new range as was applicable to the previous range. The anniversary date shall not change. The effective date of all demotions shall coincide with the first working day of a pay period.
- B. Permanent employees who, within one (1) year following a promotion, voluntarily demote to their previously held classification may return to the step of the previously held classification from which they promoted. Demotion under this section shall be with the mutual agreement of the employee and involved department head(s) and an opening must exist. The anniversary date shall not change.

Section 7. Reclassification

- A. The salary of an incumbent of a position reclassified to a class on the same salary range shall not change. The anniversary date shall not change.
- B. The salary of an incumbent of a position reclassified to a class on a higher salary range shall be at the rate which is two (2) steps higher, or immediately greater than two (2) steps higher, than that paid on the range of the former position, where the new range is able to accommodate the increase.

The anniversary date shall be determined in accordance with this Article, except that the first anniversary date shall be the first day of the pay period following the completion of six (6) months in a paid status, not including overtime, in the new

classification. Thereafter, anniversary dates shall be on the first day of the pay period following each additional one (1) year in a paid status.

- C. The salary of an incumbent of a position reclassified to a class on a lower salary range shall not change unless such salary would exceed the maximum of the new range, in which event it shall be reduced to the maximum. The anniversary date shall not change.
- D. The effective date of a reclassification shall coincide with the first working day of a pay period.

Section 8. Temporary Promotion

A regular employee may be promoted on a temporary basis to fill a vacant position as a result of a leave of absence of the incumbent of that position, or pending appointment of another person to that position. Such promotion is designated "temporary promotion". The salary of an employee temporarily promoted shall be determined as if the temporary promotion were an original appointment to the position.

When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be re-determined as if the temporary promotion had not occurred. Any step increases which would have been due in their regular position shall be allowed.

Written confirmation of such assignment(s) shall be placed in the employee's personnel file via an employee transaction form.

Section 9. Conformance to Plan

No regular employee shall be assigned to exercise the powers or perform the duties of any classification other than their own classification for an accumulated period of four hundred eighty (480) hours or more during any one (1) calendar year. Such accumulated hours of such assignment(s) shall be credited toward qualifying experience for possible promotion only when such assignments have been authorized or verified by the department/district head or designee in writing.

Section 10. Payroll

The County shall make every reasonable effort to resolve payroll errors within one (1) pay period.

The County agrees to meet with SEIU at mutually acceptable times and places to review payroll related problems.

- A. Payroll System. The County utilizes People-Soft for its payroll, accounting, and budgeting system.

1. Dates for increases in leave accruals, probationary periods, anniversary dates, merit increases, step advances, and similar events shall be based upon service dates.
 2. Leave accruals, i.e. sick leave, vacation pay, requires that the employee be in a paid status for each day during the pay period to receive the full accrual for that pay period.
 3. Some other benefits will be granted even though the employee is in a paid status for only one (1) day during the pay period, i.e., flexible credit allowance.
 4. The start of the biweekly pay period is Thursday.
- B. Electronic Fund Deposit of Payroll. Employees shall be required to receive payroll funds by electronic deposit. In the event of proven hardship the parties will agree on an alternate pay process.
- C. Electronic Pay Advice. The electronic pay advice system will permit employees to view/print current and previous bi-weekly pay advice/stubs. Employees that do not have access to a secure computer at their worksite to view, save, or print their pay advice may, upon request, receive a copy from their department payroll representative.

Section 11. Board Policy C-26

SEIU agrees that the County may apply Board Policy C-26, Hiring/Retention Bonus, to any classification as deemed necessary by the County.

ARTICLE 6
GENERAL PERSONNEL PROVISIONS

Section 1. Probation

- A. Initial Probationary Status. Each regular and seasonal employee shall be in an initial probationary status from the effective date of his or her initial employment in a position in a paid status until the required initial probationary period, and any extension, is completed without separation from County employment.

Computation of the initial probationary period in a paid status does not include overtime, standby, on-call or military leave of absence. A regular or temporary employee who has not completed the initial probationary period serves at the pleasure of the department/district head and may be released from employment without cause. Such an employee is not entitled to the review procedure provided for in this MOU.

- B. Length of Initial Probation. The length of the initial probationary period is twelve (12) months for all positions. Computation of the initial probationary period in a paid status does not include overtime, standby, on-call, or military leave of absence. [NOTE: Supervising Welfare Fraud Investigators must serve at least twelve (12) months initial probation after successfully completing the academy.]
- C. Extension of Initial Probation. The employing department/district head with the approval of the Human Resources Director may extend the initial probationary period of an employee. Extensions of an initial probationary period are discouraged and must be approved by the Human Resources Director or a designee in writing at least eighty (80) hours before the end of the existing initial probationary period. Approval is made on a case-by-case basis and only for rare and extenuating circumstances.

The initial probationary period may be extended in three (3) month increments up to two (2) times. A twelve (12) month initial probationary period may be extended once to fifteen (15) months or twice to eighteen (18) months. If an employee changes classification by promotion, transfer or demotion during initial probation, extensions may also be made in the class to which promoted, transferred or demoted.

- D. Initial Probationary Period Affected by Change in Class. An employee who has not completed an initial probationary period, and voluntarily promotes, demotes, or transfers to another class, will serve a new one (1) year initial probationary period. The one (1) year required pursuant to the provisions of this Section shall be in addition to any initial probationary period hours served by the employee in the position from which he/she voluntarily promoted, demoted, or transferred.

During the first twelve (12) months of service in a paid status following a promotion, transfer or demotion, a regular employee who held permanent status at the time of the promotion, transfer or demotion shall, upon the department/district head's request, be returned to a position in the previously held classification in the former employing department/district. If the return involves a change in classification, the salary step shall be the same step which the employee held immediately prior to the promotion, transfer or demotion, and the employee's anniversary date will be re-determined based on the number of hours of service the employee had in step at the time of promotion, transfer or demotion. Computation of the probationary period in a paid status does not include overtime, standby, on-call or military leave of absence.

Section 2. Non-Smoking Policy

Pursuant to Board of Supervisors Policy A-23, smoking in County facilities is prohibited except in specifically designated areas. Department/District heads or their designee shall identify smoking areas.

In shared buildings or floors, department/district heads or their designees will jointly identify common smoking areas. This policy shall apply to County employees and the general public.

The County may designate one hundred percent (100%) of its unassigned vehicle fleet as no-smoking areas.

Each department/district must have a written smoking policy. If there is no smoking allowed in your department/district or certain buildings or areas make that declaration. If there are exceptions, you must identify rooms or areas within each building, whether County owned or leased, where smoking is allowable including shared areas, i.e., stairwells, hallways, restrooms, etc.

It is the responsibility of the Department/District Head and departmental/district supervisors to enforce the non-smoking policy of the County.

In order to assist employees, the County has instituted a Stop Smoking Program for employees. Employees are authorized to attend the program without charge and on County time. Employees who continue to smoke in non-designated areas may be subject to discipline under the Disciplinary Procedure up to and including discharge.

Each officer shall appoint all necessary employees allowed for their department by this MOU only from among persons certified to them by the Human Resources Director as eligible for the respective positions. The Human Resources Director shall determine the methods of evaluating the qualifications of applicants. The methods shall be practical in nature and may involve any combination of written test, oral test, performance test, rating of education, training and experience and shall take into consideration a system of veterans preference as may be adopted by the Board of Supervisors, by resolution. The veteran's preference program shall be administered by the Human Resources Director.

 5. Sick leave may be used for absence reasonably required by complications of pregnancy, continuing through delivery and reasonable period of recovery there from, to be determined in accordance with a written report or reports of the employee's personal physician, specifying the expected date of delivery and the date that the employee should cease work. In the event the department/district head believes there are unusual circumstances, or that the full performance of the employee's work without undue hazard is such as to require a longer period of absence, and on the department/district head's written request to the Human Resources Director, the determination of the period shall be subject to review and change by a physician employed or provided by the County, including a medical examination of the employee if required by such physician. The

cost of this examination shall be paid by the County. In no event shall an employee return to work after pregnancy prior to a date to be fixed by her physician in a signed statement that she is physically able to perform the duties of her position.

- e. Refund Requirement. Employees who elect a pre-retirement cash-out of accumulated sick leave under this option, but who do not subsequently retire (as defined by the agreement between County of Riverside and CalPERS) shall repay to the County of Riverside any amount of cashed-out sick-leave. If such payment is not made in a lump sum within two (2) weeks of when the repayment becomes due then it is agreed that the remaining amount due shall be made by way of payroll deduction. Such employees are permitted to again make a valid cash-out election no later than six (6) months prior to retirement.
- f. Forfeiture. Unused accumulated sick leave balances are forfeited in the event a participant terminates employment for any reason other than retirement.

 - 2. A clear and concise statement of the specific grounds and particular facts upon which the disciplinary action is based;
 - 3. A statement that a copy of the materials upon which the action is based is attached or available for inspection upon request; and
 - 4. A statement informing the employee of the right to respond either verbally or in writing, to the department/district head prior to the effective date of the disciplinary action(s).

- B. After considering the response or if the time to respond has elapsed without the employee responding, written notice that the disciplinary action will be implemented shall be served on the employee on or before the effective date of the action and shall include:

1. A statement informing the employee of the disciplinary action(s) taken, the effective date(s) of the action(s), and that the action is being taken for the acts specified in the letter of intent; and
2. A statement informing the employee of the right to appeal within ten (10) working days of the date the letter is served on the employee.

Section 4. Amended Notice of Disciplinary Action

- A. At any time before an employee's appeal is submitted to the neutral for decision, the department/district head may, with the consent of the Human Resources Director, or designee, serve on the employee and file with the Human Resources Director, or designee, an amended or supplemental notice of disciplinary action.
- B. If the amended or supplemental notice presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. The employee shall not be required to file a further appeal. Any objections to the amended or supplemental causes or allegations may be made orally or in writing at the hearing.

Section 5. Appeals

Any employee may appeal any disciplinary action taken against the employee. The appeal shall be in writing and filed with the Human Resources Director, or designee, within ten (10) working days after the date of notification of action against which the appeal is made. An appeal shall:

- A. Be accompanied by a copy of intent and final decision notice of disciplinary action served on the employee;
- B. A brief statement of the facts and reasons for the appeal; and
- C. A brief statement of the relief requested.

Section 6. Waiver

If an employee fails to appeal the disciplinary action within the time specified, or after appealing, withdraws the appeal, the right to review is waived. Further, after an appeal is filed if the employee, or his/her representative, fails to take the next step to advance the appeal at any point in the process for ninety (90) days the appeal is deemed to be withdrawn and the right to review is waived.

Section 7. Hearing Procedure - Minor Discipline

- A. When disciplinary action results in a suspension of eighty (80) working hours or less, a pay reduction equal to eighty (80) hours or less of gross salary, or a written reprimand in lieu of suspension of eighty (80) working hours or less, the appeal shall be determined under the following provisions:
1. Appeals shall be heard by a person assigned by the State Conciliation Service or another third party neutral (either hereinafter referred to as a neutral) as agreed to by the parties. The neutral's decision may be verbal or in writing. The neutral's decision shall be binding on both parties, neither of which shall have the right of further appeal.
 2. Only the employee and one (1) non-attorney representative and the department/district head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
 3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The neutral may consult with witnesses informally and otherwise investigate the controversy.
 4. The neutral may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 7(A) herein.
 5. The judgment of the neutral shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.
 6. The neutral's authority shall be limited to deciding the issues submitted by the parties. The neutral shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any MOU.
 7. All costs for the service of the neutral, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and SEIU. A SEIU member who elects not to be represented by SEIU at the hearing shall provide to the Human Resource Director, or designee, an advance

deposit of two hundred fifty dollars (\$250) per half day of hearing, prior to the hearing being scheduled.

Section 8. Hearing Procedure - Major Discipline

- A. Appeals filed in cases of termination, suspension exceeding eighty (80) working hours, or pay reductions exceeding eighty (80) hours of gross salary shall be heard by a neutral.
- B. The parties shall maintain a jointly negotiated list of no fewer than seven (7) nor more than eleven (11) neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral. As soon as possible, a representative from SEIU and the County shall meet to establish the list of up to eleven (11) neutrals.
- C. The hearing shall be set by the Human Resources Director, or designee, and employee representative, or employee, within a reasonable period based on the neutral's availability and other scheduling factors.
- D. The employee and the department/district head may be represented by counsel or other representative, provided, however, if the employee is in a representation unit wherein an Employee Organization has been awarded exclusive recognition pursuant to the Employee Relations Resolution, unless represented by counsel, the employee may be represented only by the exclusive employee organization.
- E. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department/district head, or the neutral, provided reasonable notice is given the department/district employing the officer or employee. The Human Resources Director, or designee, shall arrange for the production of any relevant County record. The neutral is authorized to issue subpoenas.
- F. All appeal hearings involving the dismissal of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the employee or the department/district head may, at their own expense, provide a reporter for the hearing.
- G. The expenses of the neutral and transcripts, if required, shall be shared equally by the County and SEIU. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.

- H. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- I. Within twenty-one (21) days following the submission of the appeal, the neutral shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The decision of the neutral shall be final subject to the right of either party to seek judicial review under Section 1280 et. seq. of the California Code of Civil Procedure.
 - 1. The neutral shall confine the decision to issues raised by the statement of charges and responses. The neutral shall act in judicial, not legislative manners. The neutral shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the MOU but, rather, shall interpret and apply its terms.
 - 2. The neutral will not substitute his/her discretion and judgment for that of management for sustained charges unless the neutral finds that discrimination, unfairness, capriciousness, or arbitrary action by the County is proven.
 - 3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the neutral's decision.
 - 4. In the case of discharges, if the neutral finds the order of discharge should be modified, the appellant shall be reinstated to a position in the classification held immediately prior to discharge subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the neutral.
 - 5. If the neutral finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.
 - 6. The County/District shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the arbitration proceedings.
 - 7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such

outside employment earning records during the period of time in question when requested.

8. The neutral shall render findings sufficient both to enable the parties to determine whether and on what basis they should seek review and, in the event of review, to apprise a reviewing court of the basis for the neutral's decision. If the neutral fails to do so either party may request in writing within thirty (30) days of the issuance of the decision that the neutral render such findings.

Section 9. Evidence and Procedures Applicable to All Hearings

- A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.a. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.
- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, Management or employees of County departments/districts involved in an arbitration, and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a personnel hearing.
- E. Oral evidence shall be taken only on oath or affirmation. Any written statements, declarations, or affidavits admitted as evidence shall be made or sworn under penalty of perjury.
- F. Employees not testifying in their behalf may be called and examined as on cross-examination.
- G. The employee and the Department/District Head shall have these rights:
 1. To call and examine witnesses;
 2. To introduce exhibits;

3. To cross-examine opposing witnesses on any matter relevant to the issue, even though the matter was not covered in the direct examination;
 4. To impeach any witness regardless of which party first called the witness to testify; and
 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County, the employee and the employee organization.
- I. The intention of the parties is that appeals or arbitration hearings be adjudicated as efficiently and economically as possible. Historically the parties have found that the use of legal counsel in the appeal/arbitration process can result in excessive delays, longer hearings, and increased costs. The parties to an appeal hearing or an arbitration hearing hereby commit to instructing their legal counsel to conform to the intention of this Memorandum and to take all necessary steps to expedite the appeal/arbitration hearing and minimize the cost of the hearing.

In cases involving hearings in excess of three (3) days the parties must engage in a case management process with the neutral. The case management meeting must be held at least thirty (30) days prior to the first scheduled date for the hearing and may be held telephonically. The neutral shall consider:

1. the simplification of the issues,
2. the possibility of obtaining admissions which might facilitate the hearing,
3. the quantum of damages, in the appropriate case,
4. any preliminary application by either party,
5. any other matters that may aid in the disposition of the action or the attainment of justice.

At the case management conference the neutral may, whether or not on the application of a party, order that:

1. a party file and deliver, within a fixed time, to each other party as specified by the neutral, any relevant documents,
2. any preliminary applications be brought within a fixed time or by a specified date,

3. a statement of agreed facts be filed within a fixed time or by a specified date,
4. a party deliver a written summary of the proposed evidence of a witness within a fixed time or by a specified date,
5. experts who have been retained by the parties confer, on a without prejudice basis, to determine those matters on which they agree and to identify those matters on which they do not agree,
6. the hearing be adjourned,

and, on making an order the neutral may give other directions that he/she thinks just or necessary.

If the neutral, upon application by either party to the appeal hearing, determines that legal counsel for the other party has unnecessarily prolonged the hearing and/or increased the cost of the hearing beyond the reasonable expectations of the parties at the commencement of the hearing then the neutral is authorized to impose sanctions on the offending party including, but not limited to, ordering such offending party to pay all or part of the non-offending party's increased costs of the hearing, to pay all or part of the non-offending party's attorney fees, to pay all or part of the non-offending party's cost of the neutral, to pay all or part of the non-offending party's costs of the transcripts, or such other relief that the neutral deems appropriate in the circumstances.

ARTICLE 13 GRIEVANCE PROCEDURE

Section 1. Discussion of Request or Complaint

It is the intent of this procedure that grievances be settled at the lowest possible administrative level. Any employee who believes that they have a justifiable request or complaint shall discuss the request or complaint with their immediate supervisor in an attempt to settle the matter.

Section 2. Grievance Definition

Except as outlined below, a "grievance" is the subject of a written request or complaint, which has not been settled as a result of the discussion required by Section 1, initiated by an employee or the Union on behalf of a specifically named employee or group of employees arising out of a dispute by an employee or group of employees concerning the application or interpretation of the specific terms and conditions set forth in this MOU, Ordinance, rule, regulation, or policy concerning wages, hours, and other terms and conditions of employment. All other matters are excluded from the grievance procedure including, but not limited to:

- A. Matters arising under any of the following:
1. County Harassment Policy and Complaint Procedure;
 2. County Violence, Threats, and Securities Policy;
 3. Promotional decisions made pursuant to the County's Local Merit System;
 4. Voluntary time-banks;
 5. Placement on Medical-Certification program;

- C. Requests or complaints involving the termination of a probationary employee, or the termination, suspension, demotion or written reprimand in lieu of suspension of a regular employee reviewable pursuant to other provisions of this MOU or reviewable under the State Approved Local Merit System procedure, or written warnings, i.e., written reprimands; directive, corrective, and corrective counseling memoranda.
- D. Requests or complaints initiated by an employee involving change in departmental/district performance evaluations, if the evaluation rating overall is satisfactory or better.

Section 3. Freedom From Reprisal

No employee shall be subject to coercion or disciplinary action for discussing a request or complaint with their immediate supervisor, or for the good faith filing of a grievance petition.

Section 4. Employee Representation/Union Rights

An employee is entitled to representation in the preparation and presentation of a grievance at any step in the grievance procedure, provided an employee that is a member of a representation unit wherein an employee organization has been awarded exclusive recognition pursuant to the Employee Relations Resolution may be represented only by the exclusive employee organization. Reasonable access to work areas by representatives of qualified employee organizations shall be in accordance with Section 19 of the Employee Relations Resolution. The grievant and one (1) representative are entitled to be released from work for a reasonable period of time in order to present the grievance. No person hearing a grievance petition need recognize more than one (1) representative for grievant unless, in the opinion of the person hearing the petition, the complexity of the grievance requires more than one (1) representative in order to fully and adequately present the matter.

Section 5. Grievance Petition Form

All grievances shall be submitted to the Human Resources Department on the form prescribed by the Human Resources Director. No grievance petition shall be accepted for processing until the form is complete. Such grievance shall set forth the specific section(s) of the MOU violated as provided under Article 13, Section 2.

Section 6. Presentation

All grievance petitions shall be filed within fifteen (15) working days after the discussion with the employee's supervisor, [but in no case shall the grievance be filed more than thirty (30) working days after occurrence of the circumstances giving rise to the grievance] otherwise the right to file a grievance petition is waived and no grievance shall be deemed to exist. A grievance petition filed by an individual current employee that involves an issue of financial reimbursement may, upon the employee's notice to the union, and subject to all applicable time limits, continue through the grievance process after the employee leaves employment with the County.

Section 7. Consolidation

Grievance petitions involving the same or similar issues, filed by employees in the same representation unit, may be consolidated for presentation at the discretion of the person hearing the petitions.

Section 8. Resolution

Any grievance petitions resolved at any step of the grievance procedure shall be final and binding on the County and the grievant.

Section 9. Withdrawal

Any grievance petition may be withdrawn by the grievant at any time, without prejudice.

Section 10. Time Limits

Grievance petitions shall be processed from one (1) step to the next within the time limit prescribed in each of the steps. Any grievance petition for which a disposition is not made at any step within the time limit prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, with the next time limit to run from the date when time for disposition expired. Any grievance petition not carried to the next step by the grievant within the prescribed time limits, or such extension which may be agreed to, shall be deemed resolved upon the basis of the previous disposition.

Section 11. Resubmission

Upon consent of the person hearing the grievance petition and the grievant, a petition may be resubmitted to a lower step in the grievance procedure for reconsideration.

Should either party to this agreement determine that it is necessary to amend its argument at Step 1 or Step 2 of the grievance procedure, the grievance petition shall be remanded back for consideration at the previous step of the procedure. In the event such action occurs, the timelines set forth under Sections 14 (B) and (C) shall apply.

Section 12. Extension of Time

The time limits within which action must be taken or a decision made as specified in this procedure, except for Section 14, may be extended by written consent of the grievant and the person before whom disposition of the petition is pending.

Section 13. Grievance Resolution

With respect to whether issues are grievable, the County and SEIU agree to utilize a third party neutral (hereinafter referred to as a neutral) agreed to by the parties to settle questions of grievability and comply with his/her decisions on grievability. Both parties will abide by the neutral's decision.

The County agrees to cite specific reasons, including any applicable Articles or Sections of the MOU, or specific provisions or other procedures, that constitute the County's rationale for rejection of the grievance. The Union, by this agreement, does not waive any of its rights to file grievances, unfair practice charges or other means to enforce the MOU in the future. The parties agree to meet in an attempt to resolve any future denials upon the request of the Union.

Section 14. Steps

The following procedure shall be followed by an employee submitting a grievance petition:

- A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee shall, within ten (10) working days from the date of the event leading to the grievance, discuss the matter with his/her immediate supervisor. The supervisor shall give a prompt response where it is possible to do so. The employee and the supervisor are each entitled to the presence of a silent observer to the employee-supervisor discussion. An observer that interrupts or participates in the discussion may be excluded from the discussion by either the employee or the supervisor.
- B. Step 1. In the event the matter is not resolved as a result of the discussion described in (A) above, the employee shall, within fifteen (15) working days after the discussion with his/her supervisor, submit the grievance petition to the Human Resources Department. The Human Resources Department shall forward the petition to the grievant's department/district head. Within fifteen (15) working days after submission of the petition, the department/district head, or a designee shall meet with the grievant and the grievant's representative, if any. No later than fifteen (15) working days thereafter, the Department/District Head, or a designee, shall render a written decision.
- C. Step 2. Failing to resolve the grievance at Step 1, the grievant shall submit a written request for review within ten (10) working days following the date the Department/District Head or designee renders a decision. The Human Resources Director, or a designee, shall meet with the grievant and the grievant's representative, if any, within ten (10) working days of the submission of the request for review. No later than ten (10) working days thereafter, the Human Resources Director, or a designee, shall render a written decision.
- D. Step 3. Failing to resolve the grievance at Step 2, the grievant shall submit a written request for arbitration to the Human Resources Director, or designee, within ten (10) working days following the date the Human Resources Director, or designee, renders a decision.
- E. The grievance shall thereafter be subject to advisory arbitration and decision by the Board of Supervisors in the manner prescribed herein. The Board of Supervisors shall either accept or reject the neutral's decision, or accept part of the decision and reject the rest, without further testimony from either party. If the Board rejects all or part of the neutral's decision, the Board shall state its reasons for rejection. The decision of the Board of Supervisors shall be final. Unless mutually agreed, proceedings conducted at any step of the grievance procedure shall be private except the proceedings before the Board of Supervisors.

Section 15. Advisory Arbitration

- A. After submission of a request for review, SEIU and the Human Resources Director, or designee, shall attempt to agree on a neutral.
- B. The parties shall maintain a jointly negotiated list of up to eleven (11) neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. The list shall contain no fewer than seven (7) or more than eleven (11) names. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral.
- C. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.
- D. The expenses of the neutral, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Human Resources Director, or designee, with the employee's department/district head at least two (2) working days in advance of the hearing date.
- E. Prior to the arbitration hearing, the grievant and the Human Resources Director, or designee, shall meet and attempt to prepare a joint statement of the issues which describes the existing controversy to be heard by the neutral. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues.

The neutral shall not decide any issue not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure.
- F. If the neutral sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained in this MOU.
- G. Arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, unless the parties agree that the proceedings may be conducted pursuant to the Expedited Labor Arbitration Rules of the American Arbitration Association.
- H. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates,

management or employees of County departments/districts involved in an arbitration concerning personnel matters and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a grievance hearing.

- I. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

ARTICLE 14 ANTI-STRIKE CLAUSE

It is hereby agreed that the Union (SEIU) shall not take part in, nor call, sanction, foster, nor support any strike, work stoppage, slow-down, sick-in, nor interference with the County's operation during the term of this MOU.

Should a strike, sick-in, picketing, boycott or any other interruption of work occur, the County shall notify the Union (SEIU) of the existence of such activity and the Union will take all reasonable steps to terminate such activity and induce the employees to return to work.

ARTICLE 15 ON-THE-JOB INJURY OR ILLNESS

An employee who suffers an injury or illness which entitled him/her to benefits under the Workers' Compensation Law, and for which they actually receive or obtain medical treatment, shall be entitled to full compensation for the first ten (10) calendar days during which he/she is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, he/she shall be paid as salary the difference between the temporary disability payments due him/her under the Workers' Compensation Law and the regular compensation, to the extent of the value of accrued sick leave, including, for this purpose, the value of accrued vacation credit and, if the employee so elects, accrued compensatory time off. During a period of temporary disability and in the proportion that the employee is paid for the difference between the temporary disability payments and the regular compensation, he/she shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayment directly or from future earnings.

In the event of substantial doubt whether temporary disability payments are payable under the Workers' Compensation Law for the disability, or doubt as to the extent thereof, payment on account of sick leave shall be withheld, except to the extent authorized by this section, until the issue is determined either by assumption of liability

by the compensation insurance carrier or by adjudication of liability. In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

ARTICLE 16
LAYOFF AND REINSTATEMENT

Section 1. Seniority

- A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.
- B. Definition of Department. For purposes of this procedure, department shall be defined as the smallest business unit of the
1. the administrative staff of an agency; or
 2. a department; or
 3. a department within an agency; or
 4. a district of the County; or
 5. a County Service Area
- which is set out in the April 8, 1998, side letter to this MOU including any subsequent amendments thereto.
- C. Whenever more than one (1) employee in a department/district has the same most recent date of hire, seniority shall be determined in the following order: Hours of County service from the most recent date of hire, seniority in classification, and seniority in the department, district or agency.
- D. Except as otherwise provided in this Procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

- A. When it becomes necessary to reduce the work force in a department/district, the department/district head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department/district. No

regular employee shall be laid off in any job classification if there are temporary employees or seasonal employees in an active status in the same job classification within the department/district. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.

- B. Any reduction in the number of regular employees holding a job classification designated by a department/district head for layoff shall be made in the following order of employment status:
 - 1. Temporary promotion employees (return to former class);
 - 2. Probationary new employees;
 - 3. Probationary transfer employees, probationary promotional employees, and regular employees.
- C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.
- D. After consultation with the Human Resources Director or a designee, the department/district head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least fourteen (14) days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice twenty-four (24) hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:
 - 1. The reason for layoff;
 - 2. The effective date of the action;
 - 3. If laid off out of seniority.
- E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department/district, and was not removed there from for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department/district to such other classification in lieu of layoff unless such action cannot be accomplished

without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven (7) days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed on the step nearest their present salary within the range of the class to which they are demoting provided such step shall not exceed present salary.

- F. SEIU will be provided a copy of the final layoff list.

Section 3. Reassignment

- A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:
 - 1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) working days of the effective date of the reassignment; and
 - 2. If the new work location is more than forty (40) miles from the employee's current work location or the employee's home, whichever is closer.
- B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) working days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

Section 4. Employment Counseling and Referral

Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department/district requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments/districts requesting recruitments for all other classifications within SEIU bargaining units.

- C. Departments/districts are required to notify the Human Resources Department in writing why these candidates are unacceptable before outside candidates will be referred.

Section 5. Departmental Reinstatement List

- A. The name of every regular employee who is laid off for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications of a currently equal or lower salary range in which the employee ever held regular status, provided the department/district is allocated any positions of such classification.

If the Department Head or designate does not select a candidate that has been laid off from an SEIU classification, upon request, they shall provide justification, in writing, to the Human Resources Department as to the reasons for that decision. It is understood and agreed that the matter of determining the ability, qualifications, experience, availability and satisfactory work performance shall be made by the Department Head or designate responsible for the hiring decision and that the Human Resource

Department official may also perform such an assessment. It is further understood that any assessment of an individual's ability, qualifications, experience, availability and satisfactory work performance will be measured against the posting requirements for the position. SEIU members must make themselves available within seven (7) calendar days following the date they are notified.

Section 7. Temporary Recall

Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond four hundred eighty (480) full time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits under Section 5.D. (4) of this Article.

Section 8. Reporting

Section 2. Veteran's Services Dress Code

A. Purpose. Our department is here to serve veterans, their dependents and survivors. While we realize we cannot meet all needs or obtain all benefits sought, we owe it to our clients to provide courteous, competent and compassionate assistance at all times. In short, we care for these people because they're special and they need our help.

One way we communicate our attitude towards our clients and to others is by the way we dress and our general personal appearance. Understand that it is quite possible to compromise concern and good intentions in the mind of the object of

that concern is our dress and demeanor is perceived as being unprofessional, unkempt, overly-casual, slovenly, or in relative bad taste based on acceptable professional and community standards. The key is how we are perceived by our clients; the standard is how professionals with whom our clients have done business - lawyers, doctors, morticians, VA personnel, insurance agents, realtors, teachers, other government service providers - dress and comport themselves.

If the standard for our dress and comportment is to be what our clients expect or feel comfortable with, let us realize that our clients cover the social spectrum, from bereaved widows of retirees to homeless veterans with post-traumatic stress disorder to young home buyers to war orphans. If there is a common denominator it is that they all look to us as professional service providers. Our appearance, therefore, must meet their most demanding standards while not distancing the occasional, more relaxed expectation.

Management is responsible for employee behavior and performance. Accordingly, management, by example, leadership skills and exhortation will set the tone for department appearance.

B. Policy. The following general guidelines will apply at all times:

1. Dress and grooming must conform with acceptable professional community standards and be consistent with the highest expectations of the most exacting clients;
2. Dress and grooming will, at all times, be modest, professional, non-provocative and appropriate enough so as not to offend or overly arouse clients or co-workers.
3. Work clothes should not restrict but should allow the worker to perform all tasks within their job specifications.
4. Apparel should be clean and in good repair, buttons buttoned, zippers zipped, shirt-tails tucked in.

C. Enforcement. The Director will counsel anyone whose dress and general personal appearance does not reflect the spirit of these guidelines. Unacceptable violations will not be tolerated, and the violator may be requested to return home on their time to change into more appropriate attire.

Section 3. Community Health Agency/RCRM Dress Code

- B. Policy. The appearance of all employees is important to the total operation and effectiveness of CHA and RCRMC. The general public, visitors and patients' perception of CHA and RCRMC is influenced in part by the appearance of staff as well as the level of courtesy, professionalism and compassion they receive.

Dress and appearance are key ingredients of the service delivery component of our continuous quality improvement process. A well-groomed and professional appearance helps create favorable impressions, whereas appearance that distracts our patients, visitors, or fellow employees does not reflect the type of impression that is appropriate to the Agency/Hospital environment.

In keeping with the health service nature of our agency/department and in compliance with current rules, regulations and legislation, standards of personal appearance and apparel have been established. These guidelines have been established to promote good service to patients, reduce the chance of cross infection and promote good public relations. The Dress Code is not intended to infringe upon the personal rights of employees but to offer them guidelines and standards to follow.

It is not possible to cover every conceivable question of dress and grooming in a written policy. The best and most effective control has to come from each employee's good judgment of what is best for our obligations to patient care and the public we serve.

There may be differences in some departments' or division's dress codes, depending upon the work environment, nature of work performed, and involvement in patient care activities or required uniform. These differences are not intended to conflict with, but are in addition to, this general policy.

For reimbursement of personal items, refer to Reimbursement Policy C-5.

Shorts must be in compliance with the Department/Division Managers' Guidelines. Shorts should be of a solid color, no more than 2" above the knee.

Managers and supervisors will counsel anyone whose dress and general personal appearance do not reflect the spirit of these guidelines. Violations will not be tolerated and the violator(s) may be requested to return home to change into more appropriate attire. For the first occurrence, employees will be permitted an hour on "company" time to return home, change and return to work. Time in excess of one (1) hour will be on the employee's own time. If an employee has no time to cover the time in excess of one (1) hour, or has been previously counseled for taking longer than the allotted time, they may be subject to absent time without pay.

Section 4. Registrar of Voters Dress Code

- A. Purpose. In keeping with the high standards that have been established in Registrar of Voters, this dress code is intended to specify acceptable practices that support a high standard of excellence.

One way to communicate our attitude toward those we serve is by the way we dress and our general appearance. Understand that it is quite possible to compromise the department's image as a service provider if our dress and demeanor are perceived as being unprofessional, unkempt, overly casual, slovenly, or in relatively bad taste based on acceptable professional and community standards. The key is how we are perceived by those we serve; the standard is how professionals in the local community have done business, how they dress, and how they comport themselves. The appearance of all employees is important to the total operation and effectiveness of the department. A well-groomed and professional appearance promotes public confidence in those who serve them. Effective PP#25 (November) of each year, employees participating in a County offered health plan shall receive an increase in their FLEX benefits equal to the percent increases in the Kaiser family medical plan rates, but not to exceed a total FLEX benefit credit of eight hundred and twenty three dollars (\$823) a month.

In addition, if employees in the Management, Unrepresented & Confidential Resolution receive additional increases in flexible benefit credits, the value of those increases shall be given to SEIU represented employees on the same date and in the same increment, not to exceed the total monthly flexible benefit credit that was added.

2. Employees not participating in a County sponsored health care plan shall receive:

\$465.00 per month (\$232.50 per biweek for twenty-four (24) biweeks/year).

Employees whose most recent hire date is prior to November 11, 2004 (pay period 25-04) will have the option of waiving medical coverage if they provide proof of coverage under another group medical plan.

While qualifying employees may waive medical coverage, at least one (1) of the flexible benefit options must be taken (medical, dental, or Flexible Spending Account) to receive cash back.

- F. Cash Back. If monies remain after deduction of elected benefits and wavier fees, said monies may be taken in cash back to the aggregate total of options selected and cash.

The County shall provide basic life insurance, not to exceed one times (1x) annual salary to a maximum of fifty thousand dollars (\$50,000), to all employees covered under this MOU. AGENCY SHOP

(The provisions of this Article are not applicable to employees in the Supervisory Unit)

Subject to the provisions set forth below, the County shall deduct and remit the SEIU biweekly service fees or dues, as appropriate, for fee payers/members of SEIU.

Current employees in the unit who are now SEIU members shall remain SEIU members for the period of this MOU. Employees who are hired on or after the effective date of this MOU, and are in a job classification within a representation unit of SEIU covered by this MOU, the County, in conformance with the provisions of Government Code Section 3508.5(b), shall deduct the payment of service fees to SEIU from the employees' paychecks. Dues withheld by the County shall be transmitted to the SEIU Officer designated in writing by SEIU as the person authorized to receive such funds, at the address specified.

The parties agree that the obligations herein are a condition of continued employment for all unit members. The parties further agree that the failure of any unit member to remain a member in good standing of SEIU or pay the equivalent of SEIU dues during the term of this MOU shall constitute, generally, just and reasonable cause for termination. The County shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) work days or more after such submission.

No unit member shall be required to join SEIU or to make an agency fee payment if the unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with SEIU to satisfy their obligation by donating the equivalent amount to a non-labor, non-religion charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC), chosen by the employee.

Whenever a unit member shall be delinquent in the payment of dues or fees, SEIU shall give the unit member written notice thereof and fifteen (15) days to cure the delinquency; a copy of said notice shall be forwarded to the Human Resources Director, or designee,. In the event the unit member fails to cure said delinquency, SEIU shall request, in writing, that the County initiate termination proceedings. The termination proceedings shall be governed by applicable State laws.

The County shall not deduct monies specifically earmarked for a Political Action Committee or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the unit member.

SEIU shall keep an adequate itemized record of its financial transactions and shall make available annually to the County and, upon request to the employees who are members within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its President and Treasurer or corresponding principle officer, or by a Certified Public Accountant. A copy of financial reports required under the Labor-Management Disclosure Act of 1959 or Government Code Section 3546.5 shall satisfy this requirement.

This organizational security agreement shall be null and void if rescinded by a vote of employees affected in the unit pursuant to Government Code Section 3502.5(b).

SEIU will defend, indemnify and hold harmless the County of Riverside from any loss, liability or cause of action arising out of the operation of this article.

SEIU's indemnity obligation is more fully set forth as follows: SEIU will defend, indemnify and hold harmless the County of Riverside from any loss, liability or cause of action arising out of the operation of this article. Upon commencement of any such

legal action, SEIU shall have the right to decide and determine whether any claim, liability, suit or judgment made or brought against the County because of such action shall or shall not be compromised, resisted, defended, tried or appealed. Any such decision on the part of SEIU shall not diminish SEIU's indemnification obligations under this MOU.

The County, immediately upon receipt of notice of such legal action, shall inform SEIU of such action, provide SEIU with all information, documents, and assistance necessary for SEIU's defense or settlement of such action and fully cooperate with SEIU in providing all necessary witnesses, experts and assistance necessary for said defense.

SEIU upon its compromise or settlement of such action shall immediately pay the parties for such action all sums due under such settlement or compromise. SEIU, upon final order and judgment of a Court of competent jurisdiction awarding damages to any employee of the County, shall immediately pay to such employee all sums owing under such order and judgment.

Any employee desiring to revoke their authorization for dues shall forward a letter by United States Mail or in person to SEIU; setting forth his/her desire to remove said authorization and may include reasons thereof. To be considered, a letter shall be received by SEIU on or after April 1st, but no later than the last working day of April. SEIU shall promptly forward a stop deduction to County payroll in the manner provided by the County.

Failure to timely notify SEIU as described above shall be deemed abandonment of the right to revocation until the next appropriate time period.

ARTICLE 30 PARITY STUDIES

Section 1. Parity

Parity issues can be discussed in the appropriate labor-management committee meetings; however, the parties agree to meet and confer on the issue in July 2014.

The Union agrees that AB 646 shall not apply to these discussions.

Section 2. Salary Compaction

During the term of this agreement, the maximum base salary of a supervisory classification shall be maintained at a minimum rate of five and one-half percent (5.5%) above that received by their highest paid subordinate classification. Salary adjustments following the guidelines set forth in Section 2(A) and (B) shall be made to any supervisory classification that is determined to be compacted during the term of this agreement with the exception that such adjustments will become effective the first day of the pay period within sixty (60) days of the date the SEIU Compaction Evaluation Form was submitted to the County.

At no time shall reductions in the hourly rates of pay or salary ranges in any subordinate classification result in any reductions in the hourly rates of pay or salary ranges of any employee in the Supervisory Unit.

- A. Salary Adjustments due to Compaction. Supervisory classifications requiring salary adjustment due to compaction will be adjusted as follows:
- a. Classifications with 0.01% - 2.70% compaction will have one (1) additional step added to the top of their salary ranges.
 - b. Classifications with 2.71 – 5.42% compaction will have two (2) additional steps added to the top of their salary ranges.
 - c. Classifications with greater than 5.42% compaction will have the overall percentage of compaction factored into a new salary range and have two

- B. Effective Date of Salary Adjustments. Incumbents of any supervisory classification that are at the maximum step of the salary range prior to any adjustments due to compaction shall receive the additional step increases added to their classification under salary adjustment (a) and (b) above to immediately return these tenured employees to the top step of the new salary range.

Incumbents of any supervisory classification that are not at the maximum step of the salary range prior to any adjustments due to compaction, but whose classification requires a new salary range established under the guidelines set forth in (c) above shall be compensated at their current step on the new salary range until their regularly scheduled step increase date and following the provisions for step advances set forth in Article 5 Section 1.

Incumbents of any supervisory classification that are not at the maximum step of the salary range prior to any adjustments due to compaction and whose classification adds new steps to the salary range under the guidelines set forth in (a) or (b) above shall remain at their current step until their regular step increase date and following the provisions for step advances set forth in Article 5 Section 1.

The parties agree to meet on a yearly basis to discuss and identify any SEIU represented supervisory classification impacted by the salary increases provided in the 2012 – 2016 LIUNA MOU.

Section 3. Reclassification Study – Accounting Technicians

The County and Union agree to meet and consult by January 1, 2011 to identify which employees within Accounting Technician series may need to be reclassified based upon their job duties and requirements.

In particular, the County and Union shall discuss employees which are currently classified as an Accounting Technician I or II or Accounting Technician Supervisor and assigned exclusively to the Sheriff's Department. These employees are under the security mandates of a "classified employee" and as part of their normal job duties are required to supervise other employees as well as write, prepare and manage budgets. The parties agree to meet and consult on the need to combine these employees into a single classification of a Sheriff's Accounting Technician within the Supervisory Unit.

ARTICLE 31
UNION RIGHTS

Section 1. Bulletin Boards

Space will be made available to SEIU on a reasonable number of departmental/district bulletin boards designated for such purpose, provided such use is reasonable. Notices shall be dated and signed by a SEIU representative. The privilege does not extend to the individual members of SEIU. The posting and removal of bulletin board material must be maintained in a timely fashion. The County, through the Human Resources Director, or designee, reserves the right to suspend or cancel bulletin board privileges for abuse.

Bulletin board space will be visible and accessible to all SEIU represented employees at the worksite.

Section 2. Separate Payroll Deduction and Time Reporting Codes

- A. Insurance. The County agrees to provide SEIU with one (1) separate payroll deduction code for insurance related deductions.
- B. Release Time. The County agrees to provide SEIU with two (2) separate payroll codes for union related release time. The County shall provide SEIU with monthly reports on the use of the UNSEU time reporting code (TRC), by employee name, county employee identification number, job class title and department. The following payroll code shall be established for use:

UNSER – Release Time to be reimbursed by SEIU Local 721

Release time reports shall be provided to SEIU on a monthly basis. Such reports shall be provided in electronic format to the union by the 10th business day of each month. The union agrees to provide the County with a reconciliation of such hours within ten (10) business days of receipt of the monthly report.

All requests for release time by the union shall be processed by the County within a reasonable time from receipt of the request.

Employees granted release time under this article shall not suffer any loss in compensation for actual hours released.

The County shall provide the union with a total count of SEIU represented employees, for all bargaining units covered under this MOU, calculated from the first full pay period in January and July of each year. The aggregate total of the time bank for each calendar year shall be established from the average of these two (2) total employee counts.

Release time under this provision shall be granted upon reasonable advance notice to the County. For the purposes of this section, reasonable notice is considered at least four (4) weeks prior to the date of the planned activity. In the event the union fails to provide such reasonable notice, the County may deny the

request if the Employee's absence would negatively affect County services or operations.

Section 3. Communication Access

- A. workforceExchange. The website shall be made available to SEIU for communications with its members.
- B. Payroll Leaflets: SEIU shall be permitted, once each quarter [every three (3) months] to distribute a notice of membership and related meetings to its represented employees with their County paychecks. The content of the leaflet is subject to prior approval by the Human Resources Director or designee.

Section 4. Worksite Access

The Union will maintain its existing rights to enforce their rights to worksite access.

The Union shall also be provided, upon request, a meeting room at all work locations, to conduct meetings with represented employees before and after work and during lunch periods (non-working time). Where facilities like RCRMC exist and make impracticable the ability of employees on other floors to be able to attend a meeting due to limited lunch breaks, the County agrees to make every effort to provide additional meeting rooms to address this issue. All meetings will be scheduled through Human Resources, and, at the time the request is made the request will be granted, provided that the meeting room requested has not been previously scheduled.

Section 5. Consensus

The existing County Charter consensus provision of the County Labor/Management Committee shall be applicable to the SEIU bargaining unit specific Labor/Management Committee.

Section 6. Education and Training Release Time

The County agrees to release SEIU represented employees for Union related education and training activities not to exceed an aggregate total of twenty (20) minutes per represented employee per calendar year. Time spent training Stewards in the grievance procedure through the providing of release time to prepare for grievances/administrative interviews and Skelly hearings, will be charged to this Article/Section. The parties agree that up to fifty percent (50%) of this bank may be used for Steward activities.

Section 7. Stewards

Except as set out below, SEIU may elect or appoint one (1) Steward in each County Department/District, one (1) additional Steward in departments/districts with more than 200 SEIU members, and one (1) additional Steward in departments/districts with more than 500 SEIU members in more than ten (10) geographical locations.

At RCRMC SEIU may elect or appoint five (5) stewards as follows: two (2) at the main campus, one (1) at the Arlington Campus, and two (2) at Detention Health. At DPSS SEIU may elect or appoint eight (8) stewards as follows: three (3) in south County, three (3) in mid-County, and two (2) in the desert.

To avoid any conflict of interest, any Steward elected or appointed from the supervisory unit shall be limited to representing employees in the supervisory unit. The Stewards are recognized as representatives of SEIU in their department/district with the power to bind SEIU in all matters pertaining to this MOU. SEIU agrees to notify the County Human Resources Department in writing of the names of its Stewards and the effective dates of their election or appointment.

There shall be no union activity on County time or premises except as provided for in this MOU. A Steward is permitted to represent SEIU in grievances, administrative interviews, or Skelly hearings, consistent with the representational rights granted by the *Meyers-Milias-Brown Act*. Stewards shall not be permitted to request preparation time pursuant to this Article. A Steward will not absent him/herself from his/her work without first obtaining the permission of the Department/District. To obtain permission the Steward shall identify: a) the specific reason for requesting permission, b) the employee(s) to be represented, and c) the general issue involved. SEIU agrees that the provision of County services is not to be negatively affected by any Steward activity permitted by this Article. Subject to the foregoing, the County will not unreasonably withhold permission.

Except as outlined below, the Steward will not be paid his/her regular wages while conducting steward business but will be permitted to use accumulated vacation and/or compensatory time, provided the use of such time does not result in the payment of overtime during the workweek in question. County will not pay for, nor shall the Steward be entitled to make any claim for, time spent on steward business during the Steward's non-regular working hours or for time spent on other union matters including, but not limited to, arbitration, PERB hearings, court, or depositions.

Section 8. New Employee Orientation

SEIU will be allowed to participate and present during new employee orientation.

Section 9. SEIU Training Fund

The County will contribute one cent (\$0.01) per hour, for employees covered under the provisions of this MOU, for all regular hours compensated, to be allocated to the SEIU Local 721 Training Fund.

County and SEIU agree to look at training opportunities and funding for employees and families in labor-management meetings.

Employees may refer to the Educational Support Program website for further information on eligibility requirements, program policies & procedures, and the application process.

Section 10. Release Time for SEIU Local 721 Regional Council Meetings

Up to eight (8) County employees, who are authorized representatives of SEIU Local 721, shall be entitled to be released on one (1) regularly scheduled shift per month for the purpose of traveling to and attending the monthly meeting. Any hours used to attend such meetings which are in excess of those provided under the provisions of this section shall be taken without pay or charged against the appropriate representative's paid leave banks.

County employees assigned to work in 24/7 facilities, who are working other than on a day shift, shall be allowed additional release time in such a manner that the total amount of release time utilized by the union under this provision does not exceed eighty (80) hours per month.

SEIU agrees to provide the County with a minimum of two (2) month's advance notice for release time under this provision.

It is not the intent of this provision to create any additional overtime obligations to the County.

Section 11. Release Time for SEIU Local 721 Executive Board Meetings

Up to five (5) County employees, who are elected or appointed to the position of SEIU Local 721 Vice President, At-Large Vice President, Treasurer, Secretary, or Executive Board member shall be entitled to be released on one (1) regularly scheduled shift per month for the purpose of traveling to and attending the monthly meeting. Any hours used to attend such meetings under the provisions of this section shall be taken as an approved leave of absence charged against the appropriate representative's paid leave banks or the employee may remain on the County payroll and SEIU shall be obligated to reimburse the County based on actual costs for salary and benefits. The County will provide the Union with a detailed breakdown of these costs and said funds shall be paid by the Union upon receipt of bill.

Section 12. Release Time for the President of SEIU Local 721

The Union shall have the option to cause the County to release an employee elected or appointed to the position of President of SEIU Local 721 for full time work with the Union, while remaining on the County payroll. SEIU shall be obligated to reimburse the County. The reimbursement amount for the presidential leave shall be based on actual costs for salary and benefits with a detailed breakdown of these costs provided to the Union at least on a quarterly basis. Said funds shall be paid by the Union upon receipt of bill.

Upon return to full time work with the County, the employee shall only be entitled to return to their established classification and rate of pay. The County is not obligated to return the employee to their previous work assignment.

SEIU agrees to provide the County with a minimum of two (2) month's advance notice for release time under this provision.

ARTICLE 32
BOARD POLICY C-29 – POLL WORKERS

The Board of Supervisors has adopted a policy encouraging County employees to serve as election officers. Employees desiring to volunteer their services as election officers shall apply for such service and coordinate their application in accordance with Board Policy C-29 Use of County Employees as Election Officers.

ARTICLE 33
FURLOUGH PROGRAM

Section 1. Mandatory Furloughs

The mandatory furlough program ended on June 30, 2010 for all employees in SEIU 721 bargaining units.

Section 2. Voluntary Furloughs

Employees will be permitted to take voluntary furlough time in accordance with Board of Supervisors Policy C-31. As indicated in Policy C-31, supervisors and managers are encouraged to approve these requests unless operational needs preclude them from doing so. However, voluntary furloughs will not be granted if they will result in the need for another employee to work overtime to perform the duties that would otherwise be completed by the furloughed employee or otherwise result in net loss of County revenue.

Section 3. Restrictions

Supervisors may not direct employees to work during the period of a furlough.

Section 4. Holidays

Furlough hours taken before or after a paid holiday will not affect payment for the holiday unless the employee specifically requests to voluntarily furlough the holiday as well. Additionally an employee, subject to department/district approval, may take furlough hours adjacent to other forms of paid leave.

Section 5. County Benefits

Employees on furlough will be allowed to maintain the same level of County contributions for flexible credit allowance, as well as continuation of their other employee benefit plans. They will retain their work status for benefit purposes. Furlough hours will have no effect on the following benefits:

- Flexible benefit allowance
- Medical/dental/vision/life insurance eligibility and coverage
- Rate of differential and premium pay that is included in the compensation base for PERS pension calculation, except to the extent that they are based on the actual number of hours worked. This includes bilingual pay, shift differentials, etc.

Furlough hours will not cause a break in service or a reduction in employees' service credit for the purposes of seniority, probationary period, or anniversary date/merit salary adjustment.

Section 6. Payroll Issues

A special time entry code will be established to capture all furlough hours taken off, and to facilitate continuation of seniority, health and retirement benefit accruals, contributions, and payments. Employer taxes and withholdings will be calculated based on the actual hours worked and benefits received.

Participation in the furlough program will reduce the employee's immediate take home pay. In scheduling furlough times the department/district head or designee should attempt to ensure that employees will continue to receive adequate wages to cover their normal payroll deductions (e.g., tax withholdings, deferred compensation contributions, SEIU dues, life insurance, etc.).

Section 7. Workload

The County acknowledges and recognizes that as a result of the furlough less work may be performed and that certain delays and/or reductions in service may result. Work expectations shall be commensurate with the reduced schedule.

ARTICLE 34 FAIRNESS AGREEMENT

Section 1. Fairness with LIUNA

During the term of this MOU, SEIU members shall receive the same across the board wage and/or benefit increases that LIUNA members receive.

It is understood and agreed, however, that this provision does not apply to the restoration of any previously negotiated or imposed considerations including but not limited to wages, flexible benefits contributions, 401(a) contributions, step (merit) increases or any other term and/or condition of employment that had been deferred, imposed or negotiated in prior or future LIUNA MOU's.

SEIU understands that the County is currently seeking pension reform with all bargaining units and to that end it understands that any agreement or imposition of the terms of how pension reform is taken shall not trigger this fairness agreement.

It is understood and agreed that this clause shall not be triggered in the event the County provides single or multi-class economic considerations for designated job classes including but not limited to issues concerned with:

1. Recruitment/Retention
2. Compaction
3. Parity (internal/external)

Section 2. Fairness with Management Resolution on Flexible Benefit Contribution

Effective PP#25 (November) of each year, employees participating in a County offered health plan shall receive an increase in their FLEX benefits equal to the percent increases in the Kaiser family medical plan rates, but not to exceed a total FLEX benefit credit of eight hundred and twenty three dollars (\$823) a month.

In addition, if employees in the Management, Unrepresented & Confidential Resolution receive additional increases in flexible benefit credits, the value of those increases shall be given to SEIU represented employees on the same date and in the same increment, not to exceed the total monthly flexible benefit credit that was added.
